<b>Cash &amp; GIC's, end of year</b>	<u>\$49,496</u>	<u>\$20,578</u>

**FANCONI CANADA****Notes to Financial Statements**  
(Unaudited)

As at May 31, 2000

**1. Purpose of the Organization**

Fanconi Canada (Canadian Fanconi Anemia Research Fund/La Fondation Canadienne de Recherche de L'Anemie de Fanconi) raises money to fund research on finding a cure and/or treatment for Fanconi Anemia (a fatal genetic disease causing bone marrow failure and physical anomalies); to raise awareness among members of the general public and the medical community about Fanconi Anemia, its diagnosis and methods of treatment; to provide support to Canadian families affected by Fanconi Anemia; and the publication of newsletters and educational materials in furtherance of the foregoing objectives. Fanconi Canada is incorporated under the Canada Corporations Act as a not-for-profit organization and is a registered charity under the Income Tax Act.

**2. Significant Accounting Policies****Revenue recognition**

Fanconi Canada follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted investment income is recognized as revenue when earned.

**Investments**

Investments are recorded at the lower of cost and market value.

**Contributed services**

Volunteers contribute many hours per year to assist Fanconi Canada in carrying out its service delivery activities, fundraising and day to day operations. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

**3. Restrictions on net assets**

Fanconi Canada has no net assets with externally imposed restrictions; however, donations from the public are internally restricted to be used for research. Some donations from families afflicted with Fanconi Anemia are directed to cover Fanconi Canada services and administrative expenses.

May 15, 2001

#### **4. Contractual Obligations - CIHR Partnership**

On Sept. 24, 2000, Fanconi Canada entered into a Memorandum of Understanding with the Canadian Institutes of Health Research for a 50/50 partnership to fund a Postdoctoral Fellowship in Fanconi Anemia Research to commence April 2001. Fanconi Canada's portion of the Fellowship Award is up to a maximum of \$24,250 per year for 3 years (for a potential total of \$72,750).

#### **5. Reorganization**

On February 28, 2000 the Canadian Fanconi Anemia Research Fund became incorporated under the Canada Corporations Act, changed its legal name to "Canadian Fanconi Anemia Research Fund/La Fondation Canadienne de Recherche de l'Anemie de Fanconi", adopted a marketing name "Fanconi Canada", moved its Head Office to Toronto, appointed new directors and changed its year end from May 31<sup>st</sup> to Dec. 31<sup>st</sup>. The financial statements have been prepared to reflect these changes.
